Attention: Nancy Cole

RE: Docket No. T-03949A-00-0835      Decision No.: 63833

Dear Madam:

This letter is sent in response to the Arizona Corporation Commission's (ACC) Final Notice of Past Due Compliance dated January 21, 2003. TCAST has acted in good faith to respond to the Commission's First Notice of Past Due Compliance dated January 6, 2003 regarding the FVRB Report. Due to circumstances outside of TCAST Communication's Inc. control, we have been unable to begin operations in the State of Arizona.

As the ACC may be aware, TCAST was certified to provide telecommunications service in Arizona on June 28, 2001. Unfortunately, beginning in July 2001, there has been a lot of turmoil concerning the telecommunications industry – even the dominant local exchange carrier, Quest/US West, filed for bankruptcy protection. Therefore, TCAST has not provided service to Arizona consumers, as of yet.

Our intent is and has always been to be a provider of competitive service in Arizona. As soon as TCAST begins to sign-up customers, we will provide a letter stating such to the Arizona Corporation Commission. If you have any questions, please call me at (858) 573-1785 or e-mail [bonniea@adnc.com](mailto:bonniea@adnc.com). Thank you for your patience.

Sincerely,

Bonnie K. Alexander
